THE BOREAS

BATHROOM COLLECTION

Created in intricate layers that allow color to penetrate metal, each finish is carefully crafted to enhance the feel of a space with palpable warmth and dramatic aesthetics. Finishes are composed as purposefully as they are beautifully: The BOREAS collection of living finishes are designed to naturally green up over time, lending a soft, weathered appearance, while powder-coated finishes such as matte black offer smooth durability that stands up to the rigors of daily use. Whatever your finish choice, BOREAS will bring it into your home environment
