THE GLAUCUS

BATHROOM COLLECTION

Add character to your bathroom with the latest trending colors. The new polished shades and matte colors create a personal look with any basin, tub or shower. Express your personal style with these design options and create your own bathroom oasis. The on-trend colors of matte black and matte white have wowed fans of modern architecture. When used deliberately as a contrast, they add an indescribable feel to any room. They can also be combined very effectively with dark sink finishes or used to highlight the synergy of colored details in a space. The elegant simplicity of our matte white and black faucets will add the final touch to any modern furnished bathroom.
